

Garden Blessing Toolkit

A simple guide to begin your season with reflection, intention, and gratitude

Opening Prayer

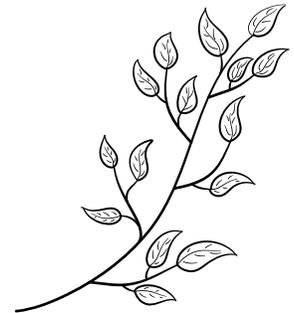

Creator God,

As spring awakens the earth, awaken our hearts to your presence in all growing things.

May our gardens be places of peace, welcome, and generosity.

Help us care tenderly for creation and for one another.

Bless this garden—
the soil that sustains it,
the hands that tend it,
and the community it nourishes.

May it be a sign of your goodness and a reflection of your love.
Amen.

Reflection Prompt (Annunciation-Inspired)

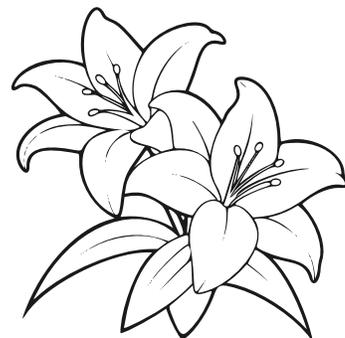

“Be it done unto me according to your word.”

– *Luke 1:38*

Mary said “yes” to a mystery.

What are you being asked to say “yes” to this season?

Take time to reflect or journal.

Closing Blessing

Standing near a garden, a seed, or any sign of new life, pray:

Loving God, Creator of all life,

As Mary said “yes” to new life,
we too open our hearts to the mystery of growth and grace.

Bless this garden with sunlight, rain, and right timing.

May it be a place of beauty, nourishment, and peace.
May all who pass through it be refreshed in body and spirit.

Holy Mary, Mother of God,

Walk with us in this season of planting and renewal.
Help us to listen, to tend, and to trust—
as you did at the Annunciation.

We ask this through Christ our Lord.

Amen.
